## Frequently Asked Questions

We have noted the most frequently asked questions applicants have posed to us regarding applying for an Aurizon Community Giving Fund grant. The following questions and answers may be of assistance and help you complete your form faster.

We encourage you to review application Criteria and Guidelines together with this FAQ and the 'Tips for writing Grant Applications' before commencing your application.

### **1. What is the key eligibility criterion?**

The community organisation must be a registered Deductible Gift Recipient (DGR) Item 1 endorsed by the Australian Tax Office. All successful applications will be validated to ensure this criterion is met prior to the grant being released.

If your community organisation does not have DGR Item 1 status, your organisation is not eligible to apply for the Aurizon Community Giving Fund grant.

If you are unsure of your organisation's tax status, check with your financial advisor and the Australian Government's ABN Lookup website [www.abr.business.gov.au](http://www.abr.business.gov.au).

### **2. Is a school building fund eligible to apply for a grant?**

As long as the school building fund has DGR Item 1 status and the project meets the requirements to be funded through the building fund, an application can be submitted.

### **3. What about applying through a third party agency?**

The Aurizon Community Giving Fund grants program is structured to make grants directly to DGR Item 1 organisations. Whilst auspice arrangements will be considered, we prefer to make grants directly to the respective charities.

### **4. Our community organisation does not have DGR (Deductible Gift Recipient) Item 1 status, however, our umbrella organisation does. Are we able to utilise their organisational details through an auspice type arrangement?**

Some community organisations may be eligible to apply under this type of arrangement. You must first check with the auspice organisation. It is important to note that any successful grants will need to be deposited into the bank account of the DGR Item 1 auspice organisation.

### **5. I am aware that some SES Groups and Fire Brigades have previously applied using this type of auspice arrangement. Does this mean that I don't need to check with the auspice organisation?**

No, you must check on each occasion. We have been notified that there have been significant changes to these organisations' internal policies associated with these types of arrangements.

### **6. We don't have a DGR Item 1 but we have a DGR Item 2 so are we eligible for a grant?**

Grants from the Aurizon Community Giving Fund can only be made to organisations with DGR Item 1 status. This is a legal-taxation requirement of the Fund. Unfortunately, organisations with Item 2 status cannot be considered.

### **7. What funding categories does a project need to fit within to be eligible for consideration?**

Aurizon's Community Giving Fund is focused on the broad areas of Health and Wellbeing, Environment, Community Safety and Education. All applications must fit within at least one of these funding categories to be eligible for consideration.

These funding categories are defined as follows:

Health & Wellbeing

We seek to provide grants to initiatives that improve a community's health and wellbeing, such as healthy lifestyle programs, mental health support, cardiovascular health related projects – particularly if they specifically support women, Indigenous groups or the LGBTIQ community.

Community Safety

We seek to support initiatives that increase safety and security in our local communities, such as emergency response, domestic and family violence, natural disaster prevention/minimisation measures, accident prevention and road safety - particularly if they specifically support women, Indigenous groups or the LGBTIQ community.

Education

We seek to provide support in areas such as literacy and numeracy, life education, apprenticeships and traineeships, and in particular, increasing and retaining skills in regional areas.

Environment

We seek to support initiatives that promote environmental enhancement in the communities through which we operate. Focused on issues such as improving biodiversity of natural habitats, community conservation and environmental education. Examples of initiatives we would look at supporting include, land rehabilitation and revegetation programs, clean-up and education days as well as local conservation projects.

**8. Will my application be considered if the proposed project is within the key areas Aurizon operates but the administration and management of that project is based in a location that is not?**

Grants will only be available for not-for-profits projects that affect the immediate areas in which Aurizon operates although the administrative centre of the applying organisation may be located

outside of the stated areas of operation. A more detailed map of locations can be found on our website at [www.aurizon.com.au/community](http://www.aurizon.com.au/community).

- 9. Is one geographical area of operation greater priority than another?**  
No, all geographical areas are equally considered, however we encourage all applicants to check Aurizon's areas of operation to ensure your project is located appropriately.
- 10. The proposed project affects a number of areas which Aurizon operates however I can only select one location on the application form?**  
Please simply select one of the locations (the location with the largest focus if that may be the case) and clearly outline within the remainder of the application the other locations the project affects.
- 11. What is the minimum and maximum amount I can apply for?**  
The Aurizon Community Giving Fund cash grants will be based on a minimum of AUD\$1,000 and a maximum of AUD\$20,000.
- 12. I was a successful recipient before but not in the last round. Can the same community organisation apply again now?**  
Yes, you can.
- 13. Can my organisation apply for more than one grant in the same round?**  
You can submit separate applications for different projects in any one round provided the applications meet the necessary eligibility criteria and Terms and Conditions.
- 14. Is there any other way other than online to apply for the Aurizon Community Giving Fund?**  
Applications to the Aurizon Community Giving Fund can only be made online.
- 15. Can I get a copy of the Application Form before I apply online?**  
Only online application forms are available. If you start an application and need to stop to search for the requested information, you can save your application and go back at any time before the closing date to complete it.
- Similarly, the Criteria and Guidelines and Terms and Conditions document is only available online.
- 16. How do I get back to an application I started but not completed?**  
Your application will autosave as you work through your submission.
- Click on the 'Submission' button at the top of your application, then hit the 'Email Link' button in the submission page. An email with a unique link to your application will be sent to the email address that you provided in your application. You can click on the link to go back into your application any time before the closing date to complete.
- 17. I hit Save but I did not get an email with a link to my application. What should I do?**  
Firstly, you should check your Junk folder. Depending on your Inbox setting, the email is sometimes recognised as junk mail and is sent to the Junk folder.
- If it is not there, please contact the Aurizon Community Giving Fund team at [community@aurizon.com.au](mailto:community@aurizon.com.au)
- 18. Can I attach supporting information such as photos, brochures, testimonials, reports etc to my application?**  
There is no facility for attaching documents to the application. If we require more information to review the application, we will contact you.
- 19. Can I submit a late application?**  
The online application link closes at 5pm AEST on the closing date. If you miss this deadline, you will have to make your submission in the next round.
- 20. How long will it be before I know the status of my application?**

After the application closing time, depending on whether further research is required or we need more information, our process for determining successful or unsuccessful applications may take up to an eight-week review period.

**21. How may I learn the status of my application?**

You will be notified as to the outcome of your application as soon as a decision is made. We ask that you refrain from contacting the Aurizon Community Giving Fund during the processing period. Correspondence regarding your submitted application will be sent from [info@aurizon.good2givegrants.org](mailto:info@aurizon.good2givegrants.org). Please ensure you add this email address to your safe senders list.

**22. Will the full amount applied for be awarded if my application is successful?**

It is possible that the granted amount may vary from the original application request.

If that occurs and your proposed project is unable to proceed with the reduced grant, you can choose to withdraw your application.

**23. What happens if the proposed project is unable to be implemented due to unforeseen changed circumstances after the funds have been received?**

If that occurs, as per the Aurizon Community Giving Fund Terms and Conditions, you must inform the Aurizon Community Giving Fund team immediately at [community@aurizon.com.au](mailto:community@aurizon.com.au).

**24. How do I contact the Aurizon Community Giving Fund?**

Via email on [community@aurizon.com.au](mailto:community@aurizon.com.au)

**25. If my application is not successful am I able to receive feedback as to why?**

We are very fortunate to receive an extraordinary number of worthy applications. However, as you can appreciate we are unable to support all projects. Given the number of applications we receive, unfortunately we are not in a position to provide individual application feedback.
